Condensed Matter

This is to certify that the article

High pressure transport properties of the topological insulator Bi_2Se_3
by J J Hamlin, J R Jeffries, N P Butch, P Syers, D A Zocco, S T Weir, Y K Vohra,
J Paglione and M B Maple

has been selected by the editors of *Journal of Physics: Condensed Matter*
for inclusion in the exclusive 'Highlights of 2012' collection. Papers are chosen on the basis
of referee endorsement, novelty, scientific impact and broadness of appeal.
